MEDICINE HAT PUBLIC LIBRARY

The Medicine Hat Public Library supports literacy of all kinds. Through our ground floor gallery we highlight local artists with new exhibitions all year round. This gives local artists a chance to share their work with the community and it gives the community a chance to learn more about art and the artistic process.

FRAMING & ART CENTRE

Whether it is original art, something of sentiment or historical value, all are investments worthy of the finest in custom, creative and conservation framing. At Framing & Art Centre, we can take your framing project and turn it into a masterpiece that can be enjoyed for generations to come.

THE CLAY TRADE

Deep within this community's roots lies a history with clay. The Clay Trade was born from the vision of cultivating the artists this community has nurtured and to provide a retail environment for you to discover and purchase the pottery of the area.

INSPIRE STUDIO, GALLERY & CAFÉ

Located in the historic Hargrave-Sissons Block, Inspire is the painting studio of artist Maureen Newton. Inspire Café is located within the gallery which showcases and sells the artwork of a variety of local artists and includes paintings, photography and pottery. Daily features, breakfast, lunch and dinner menus are available. Licensed.

CACTUS CLAY POTTERY & RETRO RELICS

Welcome to the new location for Cactus Clay Pottery featuring hand made pottery, lampwork glass beads and porcelain buttons crafted by artist Leslie Hirsch. We also feature a vast collection of Alttaglass made in Medicine Hat with work crafted from the 1950's to 1980's.

FWBA ARCHITECTS

FWBA Architects is a local architectural practice whose studio is located downtown in the historic Hutchinson Block. FWBA runs a small gallery space within their studio focused on exhibiting artists who live and work in Medicine Hat, and across southern Alberta. The work exhibited is typically craft-focused, with particular attention to the culture and natural beauty of our region, and to explorations of the art of making.

THE HIVE

The Hive Artists' Hub supports local independent artists by providing safe and affordable studio spaces for its members. Artist-run classes, as well as dynamic visual art workshops and programs are offered periodically throughout the year. Come visit the working studios and gallery, and find local artworks available for purchase.

THE BLUE LOTUS

Blue Lotus features artwork by local artists in a variety of media, in addition to healing services and inspired gifts for the spiritual, the practical, the magical and the possible.

ESPLANADE ARTS & HERITAGE CENTRE

Experience new and historic art from this region, around Canada and beyond, in the Esplanade's spacious 3000 square foot public art gallery. Enjoy the talks, tours, artist visits and workshops that accompany all the exhibitions.
