CELEBRATE AT A  
SPECIAL ART WALK  
ON SEPT 27!

MAY 10 | JULY 12 | SEPT 27

ART WALK ALWAYS STARTS AT 7PM

**MEDICINE HAT PUBLIC LIBRARY**

The Medicine Hat Public Library supports literacy of all kinds. Through our ground floor gallery we highlight local artists with new exhibitions all year round. This gives local artists a chance to share their work with the community and it gives the community a chance to learn more about art and the artistic process.

**FRAMING & ART CENTRE**

Whether it is original art, something of sentiment or historical value, all are investments worthy of the finest in custom, creative and conservation framing. At Framing & Art Centre, we can take your framing project and turn it into a masterpiece that can be enjoyed for generations to come.

**THE CLAY TRADE**

Deep within this community's roots lies a history with clay. The Clay Trade was born from the vision of cultivating the artists this community has nurtured and to provide a retail environment for you to discover and purchase the pottery of the area.

**INSPIRE STUDIO, GALLERY & CAFÉ**

Located in the historic Hargrave-Sissons Block, Inspire is the painting studio of artist Maureen Newton. Inspire Café is located within the gallery which showcases and sells the artwork of a variety of local artists and includes paintings, photography and pottery. Daily features, breakfast, lunch and dinner menus are available. Licensed.

**FWBA ARCHITECTS**

FWBA Architects is a local architectural practice whose studio is located downtown in the historic Hutchinson Block. FWBA runs a small gallery space within their studio focused on exhibiting artists who live and work in Medicine Hat, and across southern Alberta. The work exhibited is typically craft-focused, with particular attention to the culture and natural beauty of our region, and to explorations of the art of making.

**THE HIVE**

The Hive Artists' Hub supports local independent artists by providing safe and affordable studio spaces for its members. Artist-run classes, as well as dynamic visual art workshops and programs are offered periodically throughout the year. Come visit the working studios and gallery, and find local artworks available for purchase.

**TREX SPACE**

The Alberta Foundation for the Arts Traveling Exhibition Program (Trex) is a provincial visual arts program that tours Alberta-made art to non-traditional gallery spaces. The program's new home base in downtown Medicine Hat will feature installations of Trex exhibitions as well as Trex artist residencies and workshops.

**ESPLANADE ARTS & HERITAGE CENTRE**

Experience new and historic art from this region, around Canada and beyond, in the Esplanade's spacious 3000 square foot public art gallery. Enjoy the talks, tours, artist visits and workshops that accompany all the exhibitions.
